To our valued business partner

Dear Ladies and Gentlemen,

We are pleased to inform you that effective December 29, 2020 our corporate name will change from Fujitsu Electronics Europe GmbH to

This name change comes in connection with another 15% share acquired by the KAGA ELECTRONICS CO, LTD., one of the major Electronics Distribution companies in Japan and as such listed at the Tokyo Stock Exchange with more than 6.700 employees, 53 group companies and 19 factory locations globally, aiming at a further expansion of its footprint globally and as such as well in Europe.

The name change is a logical step in connection with the initial share acquisition in January 2019. The name change is now making clear that we are a part of the KAGA group, then holding 85% ownership of all Fujitsu Electronics Inc. group.

Please note that our trade registration number (HRB), all tax numbers and other registrations remain the same and are not affected by this name change.

The name change also underlines our commitment not only providing an ever-growing portfolio of semiconductors, electronic products but now also EMS and global logistics services. With our attractive and now even faster increasing line card, plus the ability to act as a one-stop solution provider, we can provide benefits for you locally as well as globally.

We strive to maximize our value to you with our global network with affiliated companies and technical experts all over the world, all supported by our Headquarter in Japan, KAGA FEI Co., Ltd, formerly known as Fujitsu Electronics Inc.

Please kindly note that the contact details of your known contact persons like phone numbers and addresses remain, while already with immediate effect the new email address changes to the top-level-domain eu.kagafei.com. Your contact persons are available under

Firstname.Lastname@eu.kagafei.com

For general inquiries you can contact us via info@eu.kagafei.com. The current Fujitsu email addresses remain active until December 31, 2020.
